

IMPORTANT PRE-SURGERY/PROCEDURE INFORMATION**For Pre-Admission Testing:**

Before your surgery, you may need to come to Baylor Medical Center at Uptown for pre-surgery testing. Please check with your physician and their office to clarify if they require any lab or radiological testing. Your physician may even hand you a signed order sheet that will outline the required tests. Please call our pre-admission testing office at (214) 443-3068 to schedule a time for your visit.

A map and driving directions to Baylor Medical Center at Uptown are printed on the back of your patient folder that you received at your physician's office. We provide complimentary valet parking for your convenience. When you arrive, enter the building through the sliding glass doors at the main entrance, and take the elevator to the 2nd floor. Sign in at the 2nd floor Reception desk, and the receptionist will help you with your paperwork and notify the nursing staff you have arrived for your testing. Please bring any signed orders your physician may have given you for this appointment, your insurance card(s), and a valid photo ID (such as a driver's license).

***IF you do not have to come to the facility for pre-admission testing, please fax your registration forms that can be found in your Baylor Medical Center at Uptown patient folder that you received at your physician's office. Our fax number is (214) 853-5433 or mail to the address below, if time permits. Please bring the original registration forms, form of payment, your insurance card(s), and a valid photo ID (such as a driver's license) on the date of your surgery.

We look forward to seeing you!
